

These high school counselors attended a Christmas dinner for counselors given by the National College of Education, Evanston-Wilmette, Wednesday, Dec. 3, at the Swedish Club, Chicago. They include, from right, Charles Lindholm, Lee Mieuire and Mrs. Lindholm, all of Antioch.

## Faber In Race For Sheriff

Marion G. "Red" Faber announced today his candidacy for the office of Lake County Sheriff on the Democratic ticket.

A resident of Waukegan for over 12 years, Faber, before coming to Waukegan, served for al-

office of Buchanan County, Iowa. Faber also worked for almost two years as a uniformed patrolman on the municipal police force of Oelwein, Iowa.

In 1948 and again in 1952, Faber, a Democrat, ran for sheriff in predominately Republican Fayette County, Iowa, and almost upset the entrenched Republican machine.

Faber has attended a number of F.B.I. law enforcement schools and seminars.

"Because of my interest in police work I have, since coming to Waukegan, naturally been a keen observer of the sheriff's office and have been appalled at what I have seen," Faber said. "While a knowledge of police work is a desirable attribute of a sheriff, the office is primarily administrative and requires a strong man who knows how to handle men and get things done."

"The petty jealousies and infighting which have characterized operations of the sheriff's office can only be the result of poor leadership at the top. If I am elected sheriff, I will make my first task that of bringing a sense of unity to the force. With the improved moral that will engender, better law enforcement and improved cooperation with local

## Turkey Winners Named

Ten turkey winners have been announced by the Antioch Chamber of Commerce in drawings conducted Dec. 13.

Entries were deposited in various participating business places in the area.

The winners are:

Mrs. Normandie Fisher, 416 Wayside Place, Lake Villa; L. Peterson, Rte. 3, Box 511A, Antioch; Barbara Young, Rte. 1, Box 609, Salem, Wis.; Bertha L. K. Brown, Rt. 1, Box 511, Antioch; Yvonne Mandehr, Box E, Richmond.  
Shirley Gutowski, 489 Crest Lane, Antioch; F. M. Zagorski, Rte. 3, Box 938, Lake Villa; Pat Mangan, Rte. 3, Box 675, Antioch; Betty Letkey, 520 Lake St., Antioch, and Judy Wells, Rt. 2, Box 343A, Antioch.

## John Bonner Will Present Color Slides

The public is invited to attend the premier color slide program Monday evening, Dec. 29 at 7:30 p.m. in the Fair Grounds Auditorium on the Lake County Fairgrounds.

John Bonner, Lake Villa, former Lake County 4-H Club member will show color slides and tell of his experiences and observations while living and working on several farms in Germany the past six months. John was one of the six Illinois delegates participating in the 1969 International Farm Youth Exchange program.

His visit with German farmers was arranged by the National 4-H

(Continued on page three)

## Antioch Shoppers Park Free

Christmas shoppers will be allowed to park in downtown Antioch without charge until Dec. 25.

The board Monday night ordered the parking meters covered to stimulate shopping in the downtown section and to encourage residents to do their shopping in local stores without going elsewhere.

The free parking went into effect Tuesday.

## Negotiators For Teachers Hold Meeting

Negotiators from the A.C.H.S. Teacher Association and the Antioch and Lake Villa grade schools met Tuesday night at the high school.

The purpose of the meeting was to discuss problems in connection with negotiating sessions which soon will be initiated in the three school districts.

It is customary to have three members of the various associations meet with three members of the respective boards of education to negotiate salaries, fringe benefits, working conditions, grievance procedures and other matters of mutual concern.

The NEA and the IEA, parent

## Census On Farm Labor For Area

A sample of residents in this area will be included in a nationwide survey of hired farm labor to be conducted during the week of December 14 by the Bureau of the Census, U.S. Department of Commerce, according to Theodore F. Olson, Director of the Bureau's regional office in Chicago.

The survey is taken annually and sponsored by the U.S. Department of Agriculture to meas-

(Continued on page five)

An annexation fee was proposed Monday night at Antioch Board meeting by Trustee Vern Barnstable.

His suggestion was adopted by a 5 to 0 vote authorizing Village Attorney Edward Jacobs to draft an ordinance establishing a fee of \$400 an acre and \$100 per lot annexed into the village.

The annexation fee per acre and lot will be in addition to a hook up charge for sewer and water service, amounting to \$150 for the joint installation.

Barnstable explained that the annexation fee was made necessary to take care of the possible expansion to the sewage disposal plant which will cost in the neighborhood of \$250,000 to \$350,000 should the annexing to the village continue at the present pace.

"If we keep annexing, it will require the enlargement of the plant," said Village Mayor Raymond Toft.

The ordinance is expected to be ready for adoption by the board at its first meeting in January 1970.

In other business the board adopted an ordinance establishing a water and sewer hook up fee to cover buildings such as motels and hotels not covered in an ordinance passed two weeks ago governing residential and commercial buildings.

Village Attorney Jacobs points out the ordinance covers buildings of residential and commercial nature not enumerated in the existing ordinance.

It also amends a measure passed in February 1963.

The ordinance also will be applicable for any hook ups and connections outside the village limits.

The fee for the service will be set by the board in each installation. "You'll take each as you see it," said the village attorney.

The ordinance will take effect after its publication.

The board deferred any action on a request of the public library for permission to construct a semi-circle drive-in for loading and unloading vehicles.

"I think you ought to see the plan before you do something about it," said Jacobs.

Jacobs said library officials told him that they have received tentative approval from the state on the proposed semi-circle drive-in on north Main Street (Rte. 83).

"The library wants to put the drive-in on the west side of the library building at the north end.

In discussing the proposed circle drive-in, Trustee Irv Walsh said, "I believe it is too dangerous. I believe you'll see children getting out of the car on the left instead of the right side of the car. I don't see why the library does not install the drive-in at the rear of the building where the area will be blacktopped

ANTIOCH, ILLINOIS, THURSDAY, DECEMBER 18, 1969

VOL. LXXXIV. NUMBER 26

## Village Approves Fees For Future Annexation

This is the second phase construction of a three phase program for the College of Lake County. The two modules depicted in this artists conception contain basic instruction areas and are designed to accommodate with interim facilities approximately 5,000 students by 1972. The \$6.2 million bond issue sought by the College on Dec. 20 matched with the \$12 million from the state will see the completion of Phase I and II by 1974.

## Amstutz Quitting Jan. 17

The superintendent of the Lake County, Illinois Highway Department for the past 20 years, M. E. Amstutz, has submitted his resignation effective January 17. He was the recipient of the Illinois Engineer of the Year Award in 1962 and has served on several state boards and commissions by appointment under two governors.

Under Amstutz' leadership the Lake County highway department has become a model operation throughout the state. He takes great pride in the quality personnel recruited in each section and has lavish praise for the County Board of Supervisors for its policies and cooperation in making this possible. The admiration is mutual in that Amstutz received a standing ovation from the Board when his brief letter of resignation was read at the December 9 meeting and reluctantly accepted.

A graduate of the Northwestern University School of Engineering in 1925, Amstutz has been listed in "Who's Who in Engineering" since 1940 and "Who's Who in the Midwest" since 1952. He is a member of the accreditation

(Continued on page three)

## Turn Down zoning For Grant Township

A zoning request for a proposed \$88 million new town development on 630 acres in Grant and Wauconda townships has been turned down by the Lake County Board of Supervisors.

The vote, was 27 to 8, just one short of the necessary three-quarters needed for passage. However, the Board subsequently approved a separate resolution providing for a planned unit development on the site.

The three-quarters was needed because a formal objection to the rezoning had been filed by the Village of Lakemoor. Though the village is in McHenry County it lies within a mile and a half of the proposed development. Village officials contend that the anticipated population of 10,000 persons would cause pollution of Lily Lake.

Grant Township Supervisor Harry Robin urged passage of the petition, saying that at least 630 acres covered in the request is in his township and none of his constituents had filed objections. He told his fellow supervisors the development would afford an opportunity for West Lake County to "forge ahead in an area which has lacked progress for many years."

Concerning objections from conservationists over possible

destruction of the Volo Tamarack Bog, Robin said he had been in contact with representatives of the University of Illinois, owners of the bog, and they were not fearful. "Much of the information surrounding the project is untrue," Robin said. "The developer has gone a long way to make this a good project."

Objections to the rezoning from board members centered around guarantees that the developer would file an application for planned unit development once the zoning was approved.

Supervisor Clarence Pontius of Vernon Township, chairman of

## First National Present Baskets

Fruit baskets for each of the 7 cottages at Allendale School for Boys has been presented by officers and employees of the First National Bank of Antioch.

Presenting the baskets to Harold H. Bonga of Allendale was Mrs. Elaine Palm, assistant cashier at the bank and LaVerne Woods, executive vice president.

Each year the employees and officers of the bank purchase gifts for less fortunate children rather than have a gift exchange for themselves.

## College Seeks Money

Registered voters of the College of Lake County district will go to the polls Saturday, December 20, to vote on permanent facilities for the College. This election brings to a climax action started by the citizens of Lake County more than two years ago when they voted by a two to one majority to establish the College district.

The College opened its doors for the first time in September, 1969 in interim facilities located on its permanent site in mid-Lake County. A record-breaking 2,588 students enrolled for the fall semester, proving the need and the desire for higher education opportunities in Lake County. Projections indicate that there will be 4,000 students next year; 5,000 by 1972; and 10,000 by 1978, just eight years away.

Nearly 1,500 persons are enrolled as part-time students indicating the acceptance of the College by a wide variety of citizens: employed adults, housewives, and others. Many adults are currently enrolled in programs that will not only achieve personal gratification for the individual, but will increase the area's supply of technicians.

(Continued on page five)

## Illinois Bell Petitions For 9 Per Cent Rate Increase

Illinois Bell Telephone has petitioned the Illinois Commerce Commission for its first general rate increase in 16 years.

President C. L. Brown had a one-word explanation for the rate proposal: Inflation. "Despite the company's best efforts and past exceptional record in holding down costs of providing service through more efficient methods of operation and fullest use of technological advances in telephony," he said, "current economic pressures have made the step unavoidable."

Effect of the proposal would be to raise annual revenues of the company by about \$66,500,000. This is an overall increase of about 9 per cent of revenues from all Illinois operations, it was an-

nounced. The request calls for increases in monthly charges to business and residence customers, unit charges for Chicago and suburban calls not included in basic monthly rates, within-state long distance rates and a number of other charges for customer equipment and miscellaneous service arrangements.

The company said that requested increases in basic monthly rates vary by community and type of service. About 80 per cent of one- and two-party residence customers would have monthly increases of \$1 or less. Individual increases in one-party residence service would range from 25 cents to \$2.

Increases in monthly charges

for business phones would range from \$1 to \$6.10. For 84 per cent of the business customers, however, the increases would be \$3.50 or less, and nearly half of them would have increases of less than \$2. Adjustments also would be made for other types of business service.

It was also explained that the larger increases in basic monthly charges would be made in those expanding communities with exceptional telephone growth which has not been reflected in their rates for service for many years. The proposed rate schedules would be grouped according to the number of main telephones in the various communities served by the company to put all of them on a more equitable basis.

Mr. D. H. Amundsen, Antioch manager, outlined the following proposed increases in monthly charges.

For Antioch customers whose telephone numbers begin with 395:

Residence—local area individual line from \$4.15 to \$5.15;

"Call-Pak 50" individual line from \$7.15 to \$7.70.

Business—local main line from \$8.25 to \$11.35; metropolitan service main line from \$13.50 to \$14.85.

"Since 1953," Brown explained, "we've provided improved and expanded service for Illinois customers without a general rate increase despite the inroads of inflation. Actually, their average cost of telephone service during

this period has declined 4 per cent while their general cost of living has risen 37 per cent—explainable by rate reductions totaling \$37 million a year, including the reductions in interstate long distance rates. In addition, they will benefit from the reductions in interstate long distance rates which were announced last month.

"Meanwhile, however, we've had tremendous increases in our costs of doing business—for materials, for wages and salaries, for taxes and for capital funds required to meet our service obligations. For example, the cost of debt financing has more than

## Support NATO

NATO has had more than its share of quiet triumphs over the first twenty years of its existence.

As the world's first effective peace force—an alliance against war—the North Atlantic Treaty Organization is successfully shielding its member nations from outside aggression.

More importantly, NATO has provided a climate in which the people of these nations have been free to build the kind of life they want—secure and prosperous beyond anything their fathers ever knew.

That's what NATO has done—is doing. But the greatest days are yet to come.

If we support NATO—and build on it—we could extend its spirit of cooperation and build a true Atlantic Community.

We might start a common economic system with our allies, for instance. Common educational standards. A common currency. Even common languages. All to enjoy a quality of life hitherto unknown on the face of the earth.

There is literally no limit to where we can go with NATO's help. Just look at how far we've come.

Because NATO is here today—we can build a better tomorrow.

(Guest editorial from the Atlantic Council)

## Yes Vote Needed

The voters in 12 high school districts in Lake County, including Antioch, will go to the polls Saturday to determine the fate of the College of Lake County.

For on Saturday a referendum will be held to either approve or turn down a \$6.2 million bond issue which is needed if the college is to have a permanent campus.

We support the bond issue.

And we believe that the voters in the districts involved have an obligation to support it also.

It came about through the wishes of the people who felt that a two-year junior college was needed in the area, at a nominal cost, to provide college classes for those who could not go to a school away from home because of the expense and for those who wanted to complete courses they wouldn't ordinarily take.

A fully comprehensive program is offered by the college that is designed to enable students to enter four-year colleges and universities at the junior level.

Approval of the bond issue is needed to build and equip the necessary buildings for a permanent college campus and provide the district's share of the first two phases of the total three-phase project.

The state has already allocated \$5,845,000 and has indicated that a like amount for the second phase will be available but local funds are needed so that qualification for state funds can be obtained.

The bond issue will cost a taxpayer with property assessed at \$11,000 a maximum of \$6.60 per year.

The college board is asking for the money only for Phase I and II of the project at this time because Phase III funds are not actually needed now.

The high school district involved, besides Antioch, include Grant, Grayslake, Lake Zurich, Libertyville, Mundelein, North Chicago, Round Lake, Wauconda, Waukegan, Warren and Zion-Benton.

We urge your support of this necessary bond issue.

## HOUSEWARMING

Many friends of Doctor and Mrs. Warner dropped by for an impromptu housewarming this week.

## SNAKES ALIVE

Think I heard of the most unusual Christmas present for this season. Would you believe a live seven foot boa constrictor? I think it has since been donated to a nearby zoo.

## PARTIES, PARTIES

Christmas parties are being enjoyed by most everyone I meet these days. Bristol Oaks was the scene of the festive occasion for the First National Bank employees. Lions Club held their annual wing-ding at Antioch Country Club with the usual amount of imaginative gifts, chickens, canaries, and the like. Jack Fields' present was "for the birds." Over a hundred members enjoyed the fun. Hear they had an especially attractive hat check "girl." Wonder who parked their car in the snowbank? Last night the State Bank of

Antioch held their annual Christmas Party at Lorenz's Smart Country House. Over a hundred people enjoyed the evening and the visit of Mr. and Mrs. Santa Claus.

Mike Ano also hosted a party for the Foreign Exchange students last Sunday.

## NEW TWO-SOME?

One of our local bachelors seems to be following the same young lady. He shows up wherever she's at.

## GET WELL WISHES

To Nancy Eberman and Edgar Simonson. Hope you are both well for Christmas.

## IT'S A GIRL

The Richard Moore's of Harden Street are the proud parents of a girl born on her brother's 4th birthday.

## MEATBALLS?

Florence Moran brought a batch of goodies to a party recently. Within a few moments the hostess had them in the oven for warming—she thought they

## Letters to the Editor

were meatballs, instead they were cookies.

## CHRISTMAS CHEER

Patients at the Lake Villa Nursing Home received a pleasant visit from members of St. Peter's Altar and Rosary Society and the Third Order of St. Francis who sang carols and brought gifts.

## SWEET SOUNDS

If you should hear some pleasant noises next Sunday evening, it may be the Antioch Choral Singers Second Annual carolling tour. Just a few more gifts to buy.

ANNIE MAE

leftist TV networks, press, and radio an excellent opportunity to discredit the American war efforts in South Vietnam. Those leftist circles have already deprived the accused American lieutenant of a fair and impartial trial.

At the same time those circles have studiously avoided to condemn the mass murders of the South Vietnamese population by Communist terrorists, the violation of the elementary conceptions of international law concerning the treatment of the American prisoners of war in North Vietnam, and the crimes committed against humanity in Soviet Russia and the other Communist countries.

The general public should not overlook the concrete and positive fact that in 1966 the 89th Congress passed a resolution to urge the President of the United States to bring the force of the world opinion at the U.N. on behalf of the restoration of the independence for Estonia, Latvia, and Lithuania. This resolution also condemns the genocide committed by Soviet Russia in the Baltic States as follows:

"The Government of the Soviet Union, through a program of deportations and resettlement of peoples, continues in its efforts to change the ethnic character of the population in the Baltic States."

Needless to say, our leftist and "liberal" circles have studiously avoided to condemn genocide and colonialism in Soviet Russia. Despite the efforts of certain leftist circles to brainwash the general public, the awareness of citizens that Communism constitutes the greatest curse and pestilence of mankind is most definitely growing. Likewise, those who are soft on Communism and libel and slander our country are seen through like a glass by an increasing number of citizens.

Therefore, Vice President Agnew should be commended for his very timely criticism directed at the news media and impudent snobs who lack common sense and responsibility.

Sincerely,  
Dr. Alexander V. Berkis  
Professor of History  
Farmville, Virginia

Wed., Dec. 10, 1969  
The 6th Constitutional Convention for the State of Illinois is

well on its way. As you know only too well by now, your Delegates for the 31st District, along with the other 114 from throughout the State, were sworn in last Monday, December 8th as scheduled. It was a most impressive and auspicious occasion and it most certainly and firmly confirmed the awesome responsibility of this constituent assembly to the people of the great State of Illinois.

We immediately proceeded to the business of organizing ourselves into a workable, hopefully productive convention. With we proceeded to the appointment of a temporary Rules Committee to work out the proposed rules for the Convention. And after lengthy deliberation, the Convention directed the Rules Committee to put the rules into suggested final form for submission and approval by the Convention on Tuesday, December 16, when we re-convene.

There is a great deal of work to be done if the Convention is to produce a product acceptable by the people. Your two delegates are confident that this will

## Amstutz Quitting...

(Continued from page one)  
team for the Engineering Council for Professional Development, which inspects universities to determine if their engineering schools meet accreditation requirements.

Amstutz served as a regional vice-president, North Central District, of the National Association of County Superintendents of Highways.

He is currently a member of the International Committee of the National Council of State Board of Engineering Examiners and the International Committee of NCSBEE. The Lake County Superintendent of Highways has been a member of the Professional Examining Committee of Illinois by appointment of the governor since 1955.

Other gubernatorial appointments include: Illinois Highway Study Commission, 1955-69; Advisory Board of the Illinois Toll Road Commission, 1954-60; and the Illinois Road and Bridge Laws Commission, 1957-59. He received an honorary membership award in 1967 from the Illinois Society of Professional Engineers, the highest award of the Society, and has been cited by many local organizations over the years for his involvement in educational, church, and civic affairs.

Though he is officially retiring, it is anticipated that Amstutz will be retained on a part-time basis for at least another year as a consultant to the County of Lake during planning stages of a proposed \$266 million highway improvement program adopted by the Board of Supervisors in November.

## Faber In Race...

Law enforcement agencies will follow.

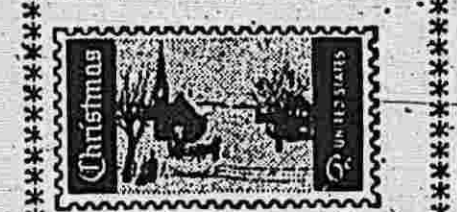

"Since leaving police work, I have worked almost exclusively in heavy construction where it has been my job to supervise large groups of men. I have always found myself able to create a good working unit despite the diversity of my work force. I believe that I can do the same with the sheriff's office in Lake County."

Faber has been a member of the National Union of Operating Engineers for twenty-five years. Faber said that as the campaign developed he would outline a more specific program for operation of the sheriff's office and spotlight the specific goals of his administration.

Faber is an active licensed airplane pilot and belongs to the Stick and Rudder Flying Club which is based at Waukegan Municipal Airport.

Faber, age 60, has been married for 33 years to the former Marie Dodge. Faber and his wife are members of the Presbyterian Church and live at 14 South Greta in Waukegan. They have one married daughter and three grandchildren, also Waukegan residents.

## Illinois Bell....

(Continued from page one)  
doubled since 1953. Taxes alone take 33 cents of every dollar we receive from customers.  
"The net result of all this has been a steady deterioration of earnings since 1966, even with gains in gross revenues from telephone growth and greater use of long distance service. The telephone company gets no immunity from the crippling effects of inflation. And the need for improved earnings has become truly critical as we continue to meet the massive demand for telephone service."

Brown said the company's construction and improvement program for the next five years calls for an expenditure of more than \$2 billion. In contrast, like expenditures during the 17 years from 1953 to 1969, inclusive, were more than \$2½ billion. The major portion of the required funds, he said, must come from investor sources.

Other details of the rate proposal:

There would be a half-cent increase for message units not covered by basic monthly charges. A change to unit billing for calls by Chicago and suburban Metropolitan Service customers to the Outer Metropolitan Area rather than toll charges, establishment of a new unlimited calling plan for residence customers in the Inner Metropolitan Area, and a uniform four-minute initial talking period, now ranging from three to five minutes, also are proposed.

Within-state long distance rate changes include a nickel increase for some day station calls and similar increases for some evening, night and late-night rates; a new method of calculating overtime charges; establishment of just one "round-the-clock" rate schedule for person calls, with elimination of present reduced night and weekend person calls; a new 15-cent surcharge for third-number calls; and a uniform three-minute initial talking period and a one-minute overtime period for all toll calls.

The company proposes a new \$1 monthly charge for private listing service (formerly called non-published service). A 50-cent a month charge also is asked for semi-private listings (subscriber information is not published in the directory but is available through directory assistance.)

A uniform rate of \$1.25 for business extension phones and PBX phones would replace present rates ranging from \$1.15 to \$1.65. Rate adjustments also would be made for other business services, including private branch exchanges, Centrex, key telephone systems, semi-public phones and teletypewriters.

## Turn Down...

(Continued from page one)

the planning and zoning committee, pointed out that under existing ordinances the proper zoning must be secured before a planned unit development application can be filed. He told the board a letter of intent from the developer is on file and the County initiate action to rescind the zoning if the owner fails to perform.

After the roll call defeat of the petition Roland Sandee, assistant supervisor from Waukegan Township, urged the planning commission to eliminate road blocks to implementation of planned unit developments. It was Sandee who introduced the resolution designating the Grant acreage as an ideal site for such a development.

Supervisor Pontius told the board, "I don't know why we approved that high highway program recently. We won't need roads if you keep turning down projects like this."

In other action the board approved resolutions to: pay a consultant in connection with the Natural Resources Study; authorize a contract with the Village of Mettawa for a planning study; provide for a charge of \$40.14 per patient day for old, age pensioners; blind recipients, aid to dependent children, and disability assistance at the Lake County General Hospital; provide for a charge of \$34.00 per patient day for persons on general assistance at the County Hospital.

The Board of Review has been granted an extension of time, until February 28, to reconvene for revising, correcting and equalizing further the assessments of

## Letters To Editor...

(Continued from page two)

be done. There is a spirit of determination for success which prevails and can only be equaled by the intense enthusiasm of the Delegates.

As one of your delegates I will work with my co-delegate from the 31st to inform you of important developments at the Convention just as I tried to discuss with you the impending key issues during the campaign. Moreover, I will make every effort to continue to work with the news media in helping to keep the citizens of our District fully informed.

Also, as I sought during the campaign, I now solicit and urge you to let me know what you are thinking with regard to the property in the County.

William J. Bickett of Zion has been reappointed to a new six-year term, by Board Chairman, Robert W. Depke, until December 14, 1975, on the Sheriff's Merit Commission.

Also passed was a resolution approving a contract with Eric Bolander Construction Company as low bidder for construction of a three-span, concrete deck bridge on St. John's Ave. in Highland Park. The Bolander bid was \$189,366.

## Negotiations For...

(Continued from page one)

bodies of the local associations, define professional negotiations (P.N.) as a set of procedures, written and officially adopted by the local association and the board of education, which provides an orderly method for the board and the association for this implementation:

- 1) To negotiate in good faith on matters of mutual concern.
- 2) To reach agreement on these matters.
- 3) To establish educational channels for assured, effectual communication.

Negotiators attending the meeting:

Antioch Grade School — Mrs. Mitzi Weick, president of the association; Bob Duckles, chairman; and Loren Volk, Eunice Rawson, and Glen Shea, representative members.

Lake Villa Grade — Henry Schmidt, Jr., president of the association, and Paul Weiss, chairman of welfare and negotiations.

A.C.H.S. — Charles Lindholm, chairman; and James Corrigan and Kenneth Wierschem, representative members.

It was felt that the meeting was beneficial for the solving of matters of common concern. An agreement was reached to hold further meetings periodically and to invite negotiating bodies from other elementary schools in the high school district.

## John Bonner...

(Continued from page one)

Foundation for the Cooperative Extension Service, and the Ministry of Agriculture in Germany. Part of the responsibilities of the delegates is to share their experiences in special and other programs when they return to their home country. The program on December 29 will be the first of several John Bonner will present.

The program presented by the returning delegates are not the ordinary travel pictures. John's pictures and story will be unique in that he will have lived and worked as a member of the several farm families during his six month's visit.

Those who would like to know more about the schools, churches, youth organizations, and the people of Germany, especially of the farms and the farmers will find the program by Lake County's International Farm Youth Exchange Delegate, John Bonner, unusually interesting and informative.

## work of the Convention. Some of you have already called and expressed your thoughts. Others have made appointments to confer with me in the very near future. I look forward to hearing from still many other citizens of the District in the months ahead.

It is your Constitution, as well as mine, that we are working with, and it is imperative that we work along on it together so that the end product will be what we all want to live under—a viable fundamental law flexible enough and responsive to the demands of the people of Illinois for hundreds of years to come.

Thank you for your continued interest and support.

Sincerely,  
Mary A. Pappas, Delegate, 31st  
31st State Senatorial District,  
Constitutional Convention of  
Illinois

## To the people of Antioch:

On behalf of the patients and staff of the 6th Evacuation Hospital, I would like to thank all of you for the package of "goodies" you sent.

I would also like to express our appreciation for your support and belief in us. It is most gratifying in these troubled times.

Again, our sincere thanks and may each of you have a happy holiday season.

EDITH V. KNOX  
LTC, ANC  
Chief, Nursing Service

December 6 Saturday  
To the people of Antioch, with appreciation:

Many of us here do not fully agree or understand the reasons for our involvement in this conflict.

But agree or not, we are greatly indebted to the people who, while harboring similar doubts and misgivings, stand behind us in their trust.

I am sure I speak for all those who are and have been in Vietnam in wishing you all a wonderful holiday season and extending my heartfelt thanks.

Sincerely,  
Don Steang

Dear Sirs,

I recently received two packages from the Vietnam project.

I wish to thank everyone connected with this project. When I received a package from my home town in this manner it tells me that my friends are thinking of me while I am gone.

It really makes a man happy to know this.

Again I wish to thank everyone.

P.F.C. William R. Lasco

# Topics for Today's Women

THURSDAY, DEC. 18, 1969 THE ANTIOCH NEWS

Mr. and Mrs. Matejka

## Margaret Wilson Wed By Candlelight

Margaret Ruth Wilson, of New Canaan, Conn., became the bride Nov. 28, in an 8 p.m. candlelight ceremony of Edward John Matejka, of Antioch, in St. Mark's Episcopal Church, New Canaan, with the Rev. Grant A. Morrill officiating.

The bride wore her mother's gown of ivory slipper satin with leg-o-mutton sleeves and a gathered bodice caught at the neck by heavy lace. The full skirt extended into a long cathedral train, was fashioned by a biased panel in the front. She wore a long mantilla of Brussels lace and carried a cascade of gardenias.

Maid of honor for the ceremony was Miss Susan Holliday and bridesmaids were her four sisters, the Misses Mary Wilson,

Kathryn Wilson, Jane Wilson and Nancy Wilson.

The attendants chose tangerine crepe, empire A-line dresses with full length sleeves with ruffles at the wrist, accented by a miss green sash with matching lace prayer caps. They carried ballerina bouquets of bronze and yellow chrysanthemums.

Albert F. Gruidl was best man for the ceremonies and ushers included Edward Kostrowski, Peter Moseley, James Barnstable and Jerry Bettridge.

A reception was held at the home of the bride's parents.

Following a honeymoon trip to Vermont and Montreal the young couple is at home at 708 Linden Ave., Waukegan.

## Donations To Rescue Squad

Recent donors to the Antioch Lions Club Rescue Squad Fund include:

Mr. and Mrs. Lennard Fischer, Irma Hosteler, Lillian Gartley and Leslie Hanke, Mr. and Mrs. Don Cunningham, Ellen Flint and Kate Verkest, in memory of Lillian Musch.

Mr. and Mrs. Harold Soloday, Edith Toole, Dr. Herbert Lotke, Marie Brassort, Mrs. J. Karlovsky, L. Votaneck, Joseph Decker, Mr. and Mrs. Edward Marks, Mr. and Mrs. Don Cunningham, William E. New, Mr. and Mrs. E. Meier, F. W. Olson, Herbert Worst, Victor Carlson, Elmer M. Stiller, Stanley E. West, B. Parsons, Elsie Pope, George Schneider, Earl Calligon.

H. E. Haase, James J. Walsh, Mr. and Mrs. Roy Coon, Mr. and Mrs. Vincent Hawks, Mr. and Mrs. William Both, Sr., Howard Morgan, Marilyn Gotzo, Ray C. Traves, L. M. Lagerstrom, Edward C. Warner, D.D.S., Arthur Robert Peterson, Mr. and Mrs. Kenneth Warren, Mr. and Mrs. Frank Wais, Mr. and Mrs. Frank Zeman, Einar Jensen, James A. Sebelun, Henrietta Gilpin, H. J. Kubicki, Ace Hardware, Mr. and Mrs. Joseph Vistain, Mr. and Mrs. I. Robert Palm, Lloyd Miller, Mr. and Mrs. Charles Hoeckstra, H. J. Riess, Mrs. David Funk, Mrs. Ruby L. Hansen, Mr. Elmer Rand.

## Home Burglarized

Salvatore Mannino, of Villa Park, reported that his summer home at 68 Addison Lane, off Rte. 173, Antioch, was broken into and a portable television set and golf clubs valued at \$260 taken.

## Social Notes

By Del Jahneke

The Walter Millers, Channel Lake, have just returned from a flying, fabulous fun-filled vacation to the sunny shores of several southern islands. Mrs. Elynor Wynard of Lombard, Loretta's cousin, accompanied them as they first flew to Miami, Fla. While in Florida, they embarked on an all day sailing cruise, seeing natural mangrove jungles as they breezed up the Intracoastal, and looking at the palatial estates of the wealthy of Fort Lauderdale, the "Venice of Florida." They docked at an Indian trading post, where an unusual collection of alligators and crocodiles, wildcats and monkeys awaited them. Unleashed flamingos, peacocks, parrots and other wild tropical birds also abounded, creating an unforgettable picture!

Then, another flying trip to Jamaica, where Loretta attended a beauty convention. They viewed Dunn's River Falls, which cascades into the blue Caribbean Sea, saw the haunting loveliness of Fern Valley, toured Ocho Rios with its quaint small villages perched on steep hills, and enjoyed the beauty of Montego Bay. The Jamaica Hilton in Ocho Rios was their headquarters while on this delightful isle.

Next on their agenda was San Juan, Puerto Rico. Here they traipsed through a Bacardi Rum factory and found it as fascinating in its own style, as was their thrilling tour of old San Juan. Their last port-of-call was the free port of St. Thomas in the Virgin Islands. They then retraced their island stops and flew back to O'Hare Airport, saying that this winter vacation is a memory they shall always cherish.

Fifty girls of the Awana Club of the Antioch Evangelical Free Church brought happiness and holiday cheer to a number of "shut-ins" in the Antioch area, as they sang Christmas Carols on Tuesday, Dec. 9th. The Awana leaders, Mrs. Robert Brant, Mrs. Stanley Anderson, Jr., Mrs. John Mattoni, Mrs. David Knutson, Mrs. Ruth Daluge, Mrs. Robert Dunlap, Jr., and Mrs. Edward Jahneke, Jr., accompanied the girls. Afterwards, the group enjoyed hot chocolate and cookies at the church.

## Committee Adopts Two Suggestions

Two recommendations were adopted by members of the Lake County Health Services Planning Committee at a meeting Thursday, Nov. 20. One calls for a detailed cost analysis of the County tax-supported health system now in existence, the other asks that the County Board of Supervisors authorize and provide interim financing to employ health planning staff as soon as possible. Both matters will be referred to the Health, Education and Welfare committee of the Board.

Jack I. Smith, M.D., chairman of the 37-member health planning group appointed by the Board of Supervisors last March, told those attending Thursday's session that an interim period of financing would mean six to seven months. He explained, "That is the length of time it would take to obtain federal assistance."

Smith presented members with a copy of a proposed interim budget to cover hiring of a director and secretary to work full-time on health services planning.

During discussion, one member questioned whether the private hospitals will be cooperating fully in the objectives of the committee. Dr. Smith answered saying, "There is a dependence between the public and private systems now. We hope to study and evaluate this interdependence and make recommendations accordingly for the mutual benefit of all concerned."

The next meeting of the full committee is set for Wednesday, December 17, at 3 p.m. in the Waukegan Public Library.

## Alan Elliott Part Of College Ceremony

Alan Elliott, Route 2, Box 469, Antioch, participated in an annual "Hanging of the Greens" ceremony held Dec. 14 at Aurora College.

Elliott was a lights and sound man.

An elementary ed. major, Elliott is the son of Mr. and Mrs. John Stecker.

Mr. and Mrs. Faulkner

## P.T.A. To Host Grade School Christmas Party

Once again this year, as in the past, the Antioch Grade School P.T.A. is sponsoring the annual School Christmas Program. It will be presented on Thursday evening, Dec. 18, at 7:30 in the school gym. Grades 1 through 4 will be participating. It is rumored that the popular old gentleman in the red suit will be paying a visit accompanied, not only by Mrs. Santa, but also two of his elves. This has been made possible by the efforts of the Future Teachers Club of Antioch High School, under the direction of Jeanette Tulumello, and John Kelly, Chris Bethley, Patti McCleod, and Darlene Johnson. It is hoped that all parents and friends will turn out to enjoy an evening that promises to add joy to the Christmas Season.

## Legion Auxiliary

By Del Jahneke

Despite the icy weather, nearly fifty Legionnaires, Auxiliary members and their families attended the Christmas pot-luck supper party of the Antioch American Legion Auxiliary, held at the Antioch American Legion Home, on Dec. 8. The tables had been decorated for the holiday season by the unit's junior members. Mrs. Ray Rathmann, president, conducted a brief business meeting. Afterwards, there was a Christmas gift exchange and games were played.

Mrs. Edna Rathmann, Veterans Craft chairman, had a number of veteran-made articles on sale. She stated that a large variety of items, ideal for Christmas gifts, could be ordered.

On December 15, 1937, the Illinois American Legion Auxiliary opened a small, non-profit shop, in Chicago's Loop area, known as the Veterans' Craft Exchange. This shop was managed by a disabled veteran, assisted by volunteer Auxiliary members. Its purpose was to aid disabled veterans in disposing of the handicraft made by themselves or their dependents. The shop was opened with 90 exhibitors. Today there are approximately 300 exhibitors from 36 states. This has necessitated moving to larger, more attractive quarters at 30 West Washington St., Chicago. A fine assortment of hand made articles are displayed there. Among the most popular items are the rag rugs woven by blind veterans. There has always been a demand for these rugs in the Antioch area. Mrs. Rathmann will be happy to furnish any further information to anyone wishing same.

With the other 22 units in 10th District Auxiliary, the Antioch Unit has always contributed to the maintenance of this Exchange Shop, which depends almost entirely from such donations.

The fiftieth Anniversary of the national American Legion Auxiliary was held on Nov. 10, 1969, with special observances held at Minneapolis, Minn. The Auxiliary was created by action of the American Legion at its first National Convention there. On Nov. 11, the Golden Anniversary of the American Legion was officially concluded. The Antioch Unit will commemorate this 50th birthday at their annual birthday dinner, held in February.

The national American Legion is urging their members and those of the Auxiliary to cooperate with the American National

## Fire Science Curriculum Under Study

The College of Lake County has appointed an advisory board to explore the possibility of organizing a Fire Science curriculum and special continuing education courses for the more than 1400 volunteer and 175 full time fire-fighters in Lake County.

The advisory committee members elected R. S. Rockenbach, Fire Chief of Grayslake as chairman of the committee and Robert Prinzing who is presently secretary of the Lake County Firemen's Association and a part time student at CLC as secretary of the advisory committee.

Other members include: David Meyer, president of the Lake County Industrial Safety Association, William Madole, President of the Lake County Firemen's Association, Ed Pavelick, Fire Chief of the City of Waukegan, Richard Nigmi, Asst. Fire Chief of the City of Waukegan, Jack Reilman, Fire Chief of the Village of Libertyville, Robert Sandahl, Lt. & Sec. of North Chicago Fire Department, John B. Verjenden, Retired Safety Director of Abbott Labs., and Earl Dalziel, Fire Chief of Fox Lake Fire Department.

Advisory Committee Resource Personnel include: Joseph Delchman, Division Fire Marshal of the City of Chicago, Bert Moran, Asst. Fire Chief, Highland Park, Edward Hart, Asst. Fire Chief, Lake Forest, Don Ronzina, Fire Prevention Officer of Lake Forest.

For more information, write or call Dr. Robert C. Mason, Assistant to Dean of Instruction, College of Lake County.

## Where The Boys Are

Army Private Gary W. Bobo, 21, son of Mr. and Mrs. John E. Bobo, 1218 A North 27th St., Milwaukee, Wis., was assigned Nov. 4 to the 173rd Airborne Brigade in Vietnam as a rifleman.

His father, Wayne H. Bobo, lives on Rte. 3, Antioch.

Fireman Apprentice James M. Grubbs, USN, husband of the former Miss Karen S. Swim of Route 1, Antioch, Ill., is serving aboard the destroyer escort USS Albert David in Vietnam.

The Albert David, commissioned in 1968, is deployed for the first time as a unit of the U.S. Seventh Fleet. It is serving in support of U.S. ground forces in Vietnam after nearly a year of training and preparation.

## ST. ANTHONY FRATERNITY CHRISTMAS SOCIAL

St. Anthony Fraternity of the Third Order of St. Francis will have their regular meeting at St. Peter's Church at 2 p.m.

Following the meeting members will adjourn to the Church Hall for their Christmas Social.

Red Cross in its 1969 Holiday Blood Donor Drive, launched on Dec. 7 and continuing through Jan. 7, 1970. Veterans and servicemen returning from Vietnam desperately need this living gift during the holiday season when the demand for blood rises sharply and donations fall 60 per cent below normal requirements.

## June Horton Weds James M. Faulkner

June Rose Horton, of Antioch, chose St. Patrick's Church in Wadsworth on Dec. 6 for her wedding to James M. Faulkner of Gurnee. The Rev. W. T. Slatery performed the double-ring ceremony.

Miss Horton is the daughter of Mr. and Mrs. John V. Horton of Antioch, and Mr. Faulkner the son of Mr. and Mrs. Charles F. Faulkner of Gurnee.

The bride chose a floor length gown of peau de sole and English lace. It was accented with a high pearl trimmed neckline and bridal point sleeves. The headpiece was a Juliet crown with lace trimmed mantilla. She carried white poinsettias and roses.

Her attendants included Mrs. Clayton Hauser as her matron of honor and Miss Margo Nadr, Miss Tina Levas and Mrs. John D. Horton as bridesmaids.

They chose floor length, sapphire blue velvet gowns with lace trimmed sleeves. Each carried one long stemmed white rose.

Flower girls was Miss Jennifer K. Horton and special music was provided by vocalist Kenneth Smouse of Antioch.

A reception for 200 was held following the ceremony at the Lake Villa VFW Hall. A honeymoon trip to Florida, followed.

## Scout News

Troop 92 held its annual Christmas Dinner and Court of Honor Dec. 7 at the Antioch Moose Lodge.

Norman Edwards is Scoutmaster, and Rick Stroner Assistant Scoutmaster.

Invocation was given by Rev. L. H. Messersmith of the Millburn Congregational Church.

The Flag Ceremonies were presented by the patrol leaders.

Guests were: Rev. and Mrs. Messersmith, Mr. and Mrs. Richard Harland, Scoutmaster of Troop 91, Mr. and Mrs. Richard Stroner, Institutional Representative.

Everyone enjoyed a pot-luck dinner. After the dinner, Mr. Edwards and Mr. Dost, the advancement chairman presented awards to the boys.

Tenderfoot badges were presented to David DeBoer, Michael Ware, Robert Walsh, John Guerra, John Christensen and Patrick Blain.

Second Class Badge was presented to Sesa Guerra.

First Class Badges were presented to John Rosquist and Lee Hayden.

Boys receiving one year pins were Dave Edwards, Phil Lindberg and Ralph Sander.

A two year pin for Pete Laurson; three year pins went to Kent Barlow, Frank Nevitt, Tom Craner and John Thain.

A five year pin for Keith Stalfeldt, and six year pins were given to Don Edwards and Rick Berger.

Boys receiving Patrol Leader awards were Larry Ketterman, Dave Edwards and Lee Hayden. Assistant Patrol Leader Awards were received by Sesa Guerra, Ralph Sander and Tom Craner.

Last summer at Camp Ma-Ka-Ja-Wan, Antigo, Wis., the boys earned 38 merit badges. Rick Berger received Citizenship in Community and Citizenship in Nation. Don Edwards, Fingerprinting, Lifesaving and Personal Fitness; Kent Barlow, Rowing, Camping, Conservation of Natural Resources, Pioneering, Coin Collecting, Fishing and Mile Swim.

Tom Craner, Lifesaving, Mile Swim, Basketball, Canoeing and Pioneering. Dave Edwards, Basketball, Nature and Pioneering. Sesa Guerra Swimming, Nature and Mile Swim. Lee Hayden, Lifesaving, Mile Swim, Basketball, Forest and Conservation of Natural Resources. Larry Ketterman, Nature and Basketball. John Rosquist, Lifesaving, Mile Swim, Nature, Canoeing, and Pioneering. Ralph Sander, Mile Swim, Nature and Swimming.

Boys receiving Star Scout badges were John Cook and John Thain. A Life Scout badge was presented to Kent Barlow.

Mr. Harland of Troop 91 presented the highest award a boy can receive in scouting, the Eagle Scout badge to Don Edwards and Rick Berger. This badge is given to those who are physically strong, mentally awake and morally straight; to those scouts who are self-reliant, who accept responsibility and leadership in the troop; who give service to their homes, churches, schools and communities, and who are good outdoorsmen. He must earn twenty-one merit badges to equip himself to be of service to others and do his share as a future citizen. Congratulations to Don and Rick.

Mr. Edwards thanked his assistant scoutmasters, Dick Berger, Bill Hayden, Rick Stroner and Bernie Dost, Jr., who help plan and carry out troop activities.

A visit was enjoyed by Santa Claus who brought gifts for scouts and younger brothers and sisters. Rick Stroner received a flight bag. He is leaving us to join the Air Force next week. Best of everything to Rich as he will be missed by all. Mr. Edwards received a scout jacket from Santa.

A very enjoyable evening was had by everyone.

honor and Miss Margo Nadr, Miss Tina Levas and Mrs. John D. Horton as bridesmaids.

They chose floor length, sapphire blue velvet gowns with lace trimmed sleeves. Each carried one long stemmed white rose.

Flower girls was Miss Jennifer K. Horton and special music was provided by vocalist Kenneth Smouse of Antioch.

A reception for 200 was held following the ceremony at the Lake Villa VFW Hall. A honeymoon trip to Florida, followed.

## Music Center Sells Christmas Program

The annual Christmas program performed by students of The Music Center of Lake County will be held at 4:30 p.m. Saturday Dec. 20, in Goodfellow Hall in Bowen Park, Waukegan.

David Goodman, director, said several hundred children and adults will perform at the free concert. The public is invited and refreshments will be served.

Performing at the Christmas concert will be the Music Center string orchestra, pupils in the pre instrumental Carl Orff music classes, ballet students and the children's chorus; art work by children in the art classes of the school will be on display.

## CHRISTIAN SCIENCE CHURCHES

"Is the Universe, Including Man, Evolved by Atomic Force?" This question constitutes the subject of next Sunday's Christian Science Lesson-Sermon. The lesson contains this verse from Revelation: "We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned."

Servises, which are open to the public, begin at 11 A.M. in First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Ill.

A related passage from the denominational textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy, states: "The central fact of the Bible is the superiority of spiritual over physical power." \*Revelation 11:17 \*Page 131

## Royal Neighbors Hold Yule Party

Royal Neighbors Olson Camp held their Christmas party at the American Legion Hall on Tuesday, Dec. 9.

A delicious supper was served by the committee. Laura Thayer, Emily Novotny and Curly Wertz. Beautiful favors and candy and book marks were given to each member. Afterward an election of officers was held.

The new oracle, Naney Thayer, was elected.

A dollar gift exchange was then held and secret pals also exchanged gifts. Coffee and cookies were served and all wished everyone happy holidays.

## 4-H Members To Tour Abbott Lab

Lake County 4-H'ers, 10 years of age and older are planning to tour Abbott Laboratories in North Chicago, December 29, Monday.

The tour will be 2½ hours in length and will start at 10:00 a.m. Following the tour the group will be provided a lunch compliments of Abbott Laboratories.

The group will meet at 9:00 a.m. at the Lake County Cooperative Extension Office on Rte. 45, ½ mile north of Rt. 120.

The tour is being coordinated by Mrs. Barbara Dahl and Mr. Dennis Hertel, Lake County Assistant Extension Advisers.

For further information contact the Extension Office at 223-5844.

# Over 182,000 In State Receive Food Stamps

Over 182,000 persons in all 102 Illinois counties received food assistance through the U.S. Department of Agriculture's Food Stamp Program during October, according to Dennis M. Doyle, Midwest regional director of Food and Nutrition Service.

The total included 165,070 on public aid and 17,071 other low-income persons.

During October Illinois partici-

pants received over \$3.7 million worth of food coupons of which around \$880,000 were bonus coupons. This was a bonus average of \$5.38 per person.

In 582 Midwest projects, around 809,000 persons were in the program during October. Total value of coupons was nearly \$16 million of which 31 per cent was in bonus coupons. The regional bonus average was \$6.05 per person.

By participating in the Food Stamp Program, low-income families can buy more food by ex-

changing the amount of money than they normally spend on food for coupons worth more than they paid.

Recipients spend coupons just like cash, at authorized retail food stores, for any domestic food. They cannot purchase items like household cleansers, tobacco or liquor with the coupons.

Doyle urges families not getting enough food to look into the program by contacting the local welfare office.

## Drunken Driving Is Charged To Man, 50

LaVern Brown, 50, of Kenosha, was charged with drunken driving Sunday night at Rte. 83, south of Rte. 173 after he was stopped by Antioch police who were alerted by Kenosha police.

Kenosha police had informed Antioch police that Brown was headed south after an accident in Kenosha. He faces a further charge of leaving the scene of an accident.

## Vets Training Programs At Record Highs

About 1,242,000 beneficiaries will participate in the Veterans Administration's training programs this school year, according to John B. Naser, Regional Office manager of the VA in Chicago.

Naser said these programs include 24,000 disabled veterans in rehabilitative training, 1,158,000 veterans and servicemen receiving educational assistance under the G.I. Bill, and 60,200 dependents of deceased and disabled veterans.

The number of persons participating in education and training programs is expected to increase by 113,000 to 1,355,000 during 1971.

According to Naser, the number of veterans and servicemen seeking educational assistance is related mainly to the size of the armed forces and the yearly rate of discharge. Increased participation by veterans who served after Jan. 31, 1955, is another factor.

Another reason for the rise in the number of trainees is the wide publicity being given the programs through U.S. Veterans Assistance Centers, the VA's "Outreach" program, and hospital visits by VA contact officers.

Naser urges Vietnam veterans and others who have served in the eligible period beginning Jan. 31, 1955, to contact their nearest VA office for further information.

## Income Tax Forms Out To Farmers

About three million 1969 Federal Income Tax Forms 1040 were sent to America's farmers and fishermen around Dec. 1, a month earlier than usual, the Internal Revenue Service announced. All other taxpayers will receive their forms about January 1.

The early mailing, a first for Internal Revenue, is an attempt to encourage farmers and fishermen to take advantage of options open to them in filing returns and paying their tax.

Estimated tax forms 1040ES, in a separate packet, reached farmers and fishermen about the same date. In previous years, the estimated tax forms were included in the Form 1040 income tax packets.

Farmers and fishermen have a choice of filing dates: 1) They may file a declaration of estimated tax and pay it in full on January 16, 1970, and then file their 1040 return by the April 15 deadline; or 2) they may file only the 1040 return by February 16 and pay the tax due with the return.

The New Federal Income Tax Form 1040, which replaces both the old 1040 and the 1040A, is a one-page, basic form to which separate schedules can be added to cover any tax situation.

Call 395-4111 to place a Society or News Item.

## COMING EVENTS

HAPPY NEW YEAR

## 100 Entries Received For Contest

With the deadline for entries in the fourth annual Illinois Editors' Traffic Safety Seminar essay contest approaching, Gerald W. Cavanagh, president of the Chicago Motor Club-AAA, reported that more than 100 entries already have been received at contest headquarters.

The motor club president, who again this year authorized the awarding of ten \$500 Chicago Motor Club scholarship grants to the top winners of the essay contest, pointed out that the deadline for entries in this year's contest is Dec. 31, 1969.

Cavanagh said a considerable number of additional entries is anticipated over the Christmas vacation period and urged all interested Illinois high school seniors who have not entered to do so at once. The top awards will be divided evenly among boys and girls.

To be eligible for one of the Chicago Motor Club scholarship grants, an essay must be limited to 500 words and written on the theme "My Program For Improving America's Traffic Safety Record."

The high school senior who writes the essay mails it, with an official entry blank, to Seminar Headquarters, 66 E. South Water St., Chicago, Ill. 60601. An official entry blank may be obtained through the entrant's school, Chicago Motor Club offices, or from Seminar Headquarters. Following are other contest rules:

—A Seminar screening committee will select qualified essays to send to the students' local newspapers for publication. Contest rules require that an essay (or a condensed version) be published in the entrant's local newspaper or high school publication to be eligible for final scholarship consideration.

—The newspaper returns a tear sheet of the published essay to Seminar Headquarters. To be eligible for scholarship and other awards, the published essays must be returned by March 16, 1970.

—A special committee of educators will select the 10 scholarship winners from all published essays. U.S. Savings Bonds will be awarded the next 25 runners-up. All other published essays will earn special honorable mention awards.

## Antioch Cubs Meet

Opening the November pack meeting for Antioch Cub Scout Pack 192 was the pledge to our flag lead by Cubmaster Ray Gallagher with Den 4 presenting the colors. The theme of the month was Folklore with Den 5 presenting a skit about Johnny Appleseed.

Philip Doich was transferred into the pack from Morton Grove Pack 78. Kenneth Rigby received his Bobcat pin.

Wolf badges were awarded to Fred Bentell, Jack Fields, Steven Haley, Larry Havemann and Ray Kerby. Gold arrows were awarded to: Fred Bentell, Jack Fields, Steven Haley, Larry Havemann, Ray Kerby and Mike Volling. Jack Fields, Gary Hill, Darren Houghton, Duncan Hucker and Mike Volling each received 1 silver arrow. Fred Bentell, Steven Haley and Ray Kerby each received 2 silver arrows under their Wolf badges.

Larry Bolton was awarded his Bear badge and 2 silver arrows. Denner badges were awarded to: David Brooke, Jack Ester, Frank Johnson, Ray Kerby and Mike Polsgrove. Mike Blaine, Lee Brooks, Kevin Gallaher and Tom Koenig received Assistant Denner badges.

Webelos shoulder ribbons were presented to: Fred Bentell, Jim Christiansen, Terry O'Brien, and Glen Thibedeau. Athlete awards for Webelos went to: Art Py, Dan Barth, Jim Christiansen, Glen Thibedeau, Terry O'Brien and Fred Bentell. Jim Christiansen received his Geologist pin and Terry O'Brien received his sportsman pin.

Year pins were awarded to: Danny Barth, Greg Bodin, Larry Bolton, David Brooke, Brian Callaway, Mark Haley, Michael Havland, Patrick Houghton, Duncan Hucker, Frank Johnson, Raymond Kerby, Wallace Lemke, Neal Lulofs, Paul Mapleshorpe, Kurt Plechaty, Mike Polsgrove, Craig Rigby, Steve Sander, David Stowe, Glen Thibedeau and Mike Volling.

Den 3 and Den 9 tied for the attendance pennant. Den 8 made hospital favors. Den 4 retired the colors and refreshments were served following the meeting.

## BLOOD ASSURANCE

Tragedy strikes without warning. Don't gamble with your loved ones... protect them with blood assurance. To find out how call 477-7500 or write the Co-operative Blood Replacement Plan, 2000 North Lincoln Park West, Chicago, Ill. 60614.

## Some TB Patients Need Help

About fifteen per cent of patients at the Lake County Tuberculosis Sanatorium need some financial assistance during the average three-and-a-half month period of confinement.

Dominick Cullen, administrator at the sanatorium, said few people realize the associated problems when a bread-winner is forced to leave work for cure. He said, however, no charges are assessed for treatment at the sanatorium if the patient is a resident of the county.

Maximum capacity of the T.B. sanatorium, located on West Belvidere St., in Waukegan, is 90 patients. There are 77 being cared for at present. Admissions are referred by private physicians, the local health agencies and other hospitals when tuberculosis is suspected through X-rays or other tests.

Cullen emphasized that T.B. is still prevalent and highly contagious. The Illinois Department of Public Health reports 2,151 active cases of the disease discovered during the first 43 weeks of this year in the State. He said for each confirmed case it means conducting tests on thousands of other potential contacts.

The administrator said it is not unusual for an entire family to contract tuberculosis once it is brought into the house. As for the local facility's major problem, Cullen said it is recruiting enough employees, especially in the dietary, housekeeping and maintenance departments. He commented on the various facets of the operation on the weekly radio series "This Week in Lake County," heard weekends over the county's four stations.

## Grass Lake Cubs Give Out Awards

Grass Lake Cub Scouts Pack 80 held its monthly meeting Nov. 20 with the opening Color Guard by Den 1.

Awards were presented to Rickie Motley, 1 year pin; Brian Tarkowski, 2 year pin; Ken Bloom, 3-year pin.

Prize awards for the Spaghetti Dinner were presented to Eddie Okrzesik, Rickie Motley, Danny Vaughn, top ticket sellers.

Membership cards were presented to Sean Mullins, Kevin Walsh, Steven Lloyd, Jim Pennell. Ribbons were given for three best Halloween posters to Craig Jorgensen, Sean Mullins, and Eddie Okrzesik.

Awards given included: Bob Pennell, Bear Badge; Kris Ament, Bear Badge, 1 Gold Arrow, 8 silver arrows; Michael Ditizi, Wolf Badge, 1 Gold Arrow, 2 Silver Arrows; Jim Pennell, 1 Gold Arrow, 1 Silver Arrow under Wolf; Eddie Okrzesik, 1 Silver Arrow under Wolf; Kris Ament, 1 Silver Arrow under Wolf; Alfred C. Roth, Citizen Activity Award under Webelos.

Guard of Honor: 0 daa.w. W9 5fc  
Welcome to the Pack: New Bobcat Bob Pauletti, Kris Ament. Advanced to Webelos was Ken Bloom; Pat Mullins advanced to Boy Scouts.

Pat Mullins received Webelos Arrow of Light.

Den 2 presented a skit entitled "Folklore."  
Dens 1 and 4 received gold tassels for 100 per cent attendance for three months.

## College Seeks...

(Continued from page one)

nically trained persons. Others have found the College to be a learning center which serves to satisfy local educational and cultural needs.

No where in this area is an educational opportunity offered on such an economical basis for so many people. Tuition well below that charged by surrounding colleges, and additional advantages accrue since students are able to live at home and commute to an institution offering a comprehensive curriculum of quality education.

Not only does the student and his family benefit, business also gains from money or funds spent in the area by students, staff, contractors, and the State.

By approving the \$6,200,000 bond issue, voters of Lake County can cause an additional \$2,000,000 of State funds to be invested in the College campus. The State has already allocated \$5,845,000 for Phase I construction. It has indicated that a like amount for the second phase will be available. Voter approval of the district share will qualify the College for the additional \$12,000,000 in State funds so that construction can begin in 1970 with September, 1972 being the projected completion date. Approval of the local share is needed to qualify for State support and funds.

The tax rate needed to retire the bonds for this project will require a low rate in terms of tax to the taxpayer. The maximum rate needed will not exceed \$.06 per \$100 of equalized assessed valuation. This low rate is possible because of the large assessed valuation of the entire College district which is nearly \$900,000,000 and can be expected to increase at least \$30,000,000 per year. This will mean that property assessed at \$10,000 (about one-half of market value—\$20,000) would have a maximum annual increase of only \$.06. Voter approval of the referendum will allow the College to receive its share of State moneys to complete the first two phases of the three phase projects.

Polling places will be open from 12 noon to 7:00 p.m. on Saturday, December 20, 1969.

Registered voters must vote at the polling place designated for the precinct within which they reside. Fifteen precincts have been designated. The boundaries are identical with those high school districts which make up Antioch Township voters will cast their ballots at Antioch High College district.

## Census On...

(Continued from page one)

ure the hired farm labor force in the U.S. and to measure annual changes in utilization of farm labor. Questions in the survey will supplement the Bureau's regular monthly survey of employment conducted for the U.S. Department of Labor's Bureau of Labor Statistics to provide a basic measure of the Nation's economic health.

Information obtained in census surveys are used only to determine statistical totals, and facts about individuals are kept completely confidential by law.

## IT DOESN'T HURT

It only takes a few minutes to give blood. A donation can give you and your family free blood assurance for one year. For information call 477-7500 or write the Co-operative Blood Replacement Plan, 2000 North Lincoln Park West, Chicago, Ill. 60614.

## Village Approves...

(Continued from page one)

and safer.  
"I think we should wait and see what the state does about the plan," said Mayor Toft, "before we do anything about it. After that we should look it over before making a decision."

The board authorized an additional \$125 for the Planning Commission, making \$425 allotted the commission to bring in the community new industry. The money was allowed at the request of Trustee Walsh.

The board also voted \$2,430 to pay for workmen's compensation insurance.

It also allowed \$12,426.30 to the Benes Construction Co. for partial payment toward the cost of constructing the new police station on Main Street near the Village Hall.

The board allowed \$588 to pay for the radio contract with the Lake County Board of Supervisors for the police and fire department radio units.

The M&S Construction Co. was allowed \$15,735.15 for the installation of trunk sewer line to the sewage disposal plant subject to receipt of waivers from contractors and suppliers.

Barnstable discussed a visit to Lake Forest where he inspected an ice skating rink installed on the community's baseball diamond.

"I think a similar one can be installed at the Little League diamond located near the public library," said Barnstable. "The only thing will be to build a sand bank around the edges to contain the water."

"You may run into some opposition from the Little League," said the mayor.

Barnstable said it was the only place he could think of for establishing an outdoor ice skating rink this winter and said he would contact the Little League officers in an attempt to get their approval on the proposed rink.

Barnstable described the Little League field as "an ideal spot" since it is equipped with lights that would permit night skating and hockey.

The monthly pay of Earl Lowe, appointed foreman earlier this month in the Street Department, has been raised by \$50 retroactive to Dec. 1.

It will continue until May 1 when negotiations open on salaries for village employees for the next fiscal year.

Pt. Elmer Pett was appointed acting police sergeant on the recommendation of Police Chief Jack Davis. He will work in this capacity at his present salary until May 1 when his performance is evaluated to determine if his appointment will be made permanent and a salary established for the new police rank.

Pett finished the highest in test given the four patrolmen comprising the department.

The board authorized the purchase of 1,000 feet of 2½ inch fire hose at \$1.65 a foot from the Great Lakes Fire Equipment Co. of Barrington.

Two home alarm monitors were ordered purchased for \$165 each. The hose will be delivered two stages with the first 500 feet coming in February and the balance in April.

The board authorized the purchase of \$17,000 in treasury bills from the motor fuel tax, revenue bond, and general obligation bond funds.

It also approved the sale of \$30,000 certificate of deposit from the sewer extension and improvement fund and the sale of \$20,000 in treasury bills from the general fund; and \$15,000 in treasury bills from the general obligation fund.

THE ANTIOCH NEWS

## Scouts Dump Sequoits

Saturday evening at the Sequoia gym, the Antioch Sequoits lost to a strong Lake Forest team, a conference record of 3-0, while the loss dropped the Sequoits to second place with a record of 2-1.

The Sequoits started fast with two quick baskets, one by Bolton and another by Bentel as it looked like the Sequoits were in for a good night. The Sequoits started to lose the battle of the board late in the first quarter. But with 1:54 left the Sequoits had their last lead of the evening 13 to 12 on two free throws by Bentel. The Scouts hit for four quick points, which was followed by a basket by Romaine, and then Anderson of Lake Forest hit two free throws to close the quarter, the score standing 18 to 15 in favor of Lake Forest.

The second quarter proved to be disastrous for the Sequoits, as Lake Forest outscored, out hustled and completely dominated the boards. The Scouts scored 15 points to only 2 by the Sequoits and during the quarter Lake Forest grabbed 12 rebounds to only 3 by the Sequoits.

This quarter proved to be the downfall of the Sequoits in their bid to upset the favored Lake Forest Scouts. The second was a standoff as Lake Forest scored

42 points to 40 points by the Sequoits.

It was just too much strength on the boards for Lake Forest and our poor shooting. "When a team hits only one basket in 14 attempts during a quarter, you're bound to have troubles and troubles we had," quoted the Sequoia Mentor. "Their over-all experience and the outstanding play of Reed, Anderson just was too much, but next time, we will be in the game, you just wait and see," stated the Antioch coaches.

Anderson of Lake Forest lead all scorers as he ripped the nets for 32 points. He was followed in scoring by Hodgkinson and Donohue with 12 and 10 points respectively.

Bolton lead the Sequoits with 13 points followed by Romaine and Bentel with 11 and 10 points respectively.

Tom Martin played a real fine second half grabbing 8 rebounds, and scoring 8 points, besides improving on his defensive ability. He gave an indication in the sec-

ond that he can score too, a much needed item. Ray Braden came into the game late in the 3rd quarter and did a very creditable job. We may see more of him in the future.

## Boyne Falls Opens Ski Season

Boyne Falls, Mich.—Historically one of the first of Mid-America ski areas to begin skiing, Boyne Country officially opened the 1969-70 ski season at Boyne Mountain on Thanksgiving weekend.

Boyne Country is a skiing and recreational conglomerate which includes Michigan's prime skiing areas—Boyne Mountain, Boyne Highlands, Thunder Mountain and Wallon Hills—all within a 25-mile radius and all of which can be skied on one lift ticket. The Boyne Country complex encompasses over 15,000 acres, 16 double, triple and quadruple chairlifts, the internationally famous Olhmar Schneider ski school with 64 certified instructors, largest and electronically-controlled snow making capacity anywhere, 1400 accommodations at the slopes, cafeterias and restaurants to serve over 10,000, and 6 cocktail lounges.

Additions this year at Boyne Country include a four-place chairlift to service a new advanced intermediate area at Boyne Mountain, and another four-place chairlift at Boyne Highlands.

The first phase of the Boyne Mountain Commercial Village is complete and will ultimately house three restaurants, two cocktail lounges, general offices, bakery shop, butcher shop, clothing and equipment stores, and convention meeting rooms. The first condominiums at Boyne Mountain will also be occupied this season.

## \$50,000 Purse Set Up

RHINELANDER, WIS.—With a \$25,000 cash purse, split \$15,000 to winners of the Hodag "50" cross-country race and \$10,000 for sprint races, the sixth annual Hodag Marathon and Winter Carnival Days are expected to draw a maximum field of 850 drivers, thousands of spectators, and jam-packed housing conditions Jan. 14-18 at Rhinelander, Wis.

Sponsored by the Lions Hodag Snowmobile Marathon, Inc., a non-profit group of Rhinelander businessmen, the events have been a hallmark of winter sports competition consistently since the introduction of the snowmobile.

The complete calendar of events provides a snowy week's vacation all by itself. On Jan. 11 there is an ice fishing jam-boree at nearby Sugar Camp. The Winter Carnival Days parade will be held Wednesday evening, 7 p.m. Jan. 14, through downtown Rhinelander. From Jan. 14 through 18, the organization has its annual automobile show at the Rhinelander Memorial Building.

A snowmobile day is given away during this five-day event, which features displays, exhibits, and demonstrations of the latest in snowmobiles and accessories as well as other winter fun sports.

Friday, Jan. 16, the serious business of racing begins, with time trials for the following Sunday's Hodag sprint races. On Saturday, the event that started all of Rhinelander's winter sports activity, the Hodag "50" Marathon, begins at 9 a.m.

With its full field of drivers starting against time, 15 abreast, over the new Hodag course laid out in the Rhinelander subdivision of Pine Lake, spectator viewing should reach a new high in popularity. The first two mile kidney-shaped oval of the new course is also the scene of the sprint races. New press, spectator, official, and concession facilities have been installed at the site.

For the first time in its history, the Rhinelander snow races are sanctioned by the United States Snowmobile Association. First, second, and third place wins in both sprint and cross-country races accumulate high points toward the 1969-70 season high point awards, by classes. Following the Rhinelander week of snow activity, the nearby Eagle River Lions Club will stage its annual world championship snowmobile derby, Jan. 23-25, featuring oval racing on a new one-third mile oval, and speed/obstacle races over a five-mile wooded course. The Eagle River races are also USSA sanctioned and point accumulative by class. Complete information and entry blanks are obtained by writ-

## Antioch Beats Panthers

On Friday evening the Antioch Sequoits visited the Round Lake Panthers, and handed the Panthers a 78-72 loss.

Doing everything exceptionally well the Sequoits rolled to large half time lead 40-21. "The defense and rebounding were the best we have had this year," stated Coach Andrews. "Our fast break was working at times, too, with the team doing a good job of getting the ball to Bolton real well," added the coach. Jeff Sterbenz and Keith Bolton worked the boards real well as each grabbed 13 and 12 respectively.

Bolton had an excellent first half, scoring 22 points, mainly on feeds from Marty Romaine and Sterbenz. Romaine handled the Round Lake half court press real well, as he set up several baskets, scoring a few himself.

In the second half, the Sequoia reserves saw a lot of action as the coaches decided to rest a few of the regulars for the Lake Forest game. Saturday evening, Wayne Simon showed a lot of hustle and spunk, as he operated as the play maker for the Sequoits in the second half.

The Sequoits also had two players on the sick list. Steve Bolton was sick all Thursday night and Tom Effinger missed practice all week with strep throat.

In the second half, the Round Lake offense was a two man show with Tom Blank and Rick Prorok the two guards shooting and driving for 38 of the Panthers 51 points.

Keith Bolton finished the evening with 33 points, a career high for him. He was followed in the scoring by Sterbenz with 16 and Romaine with 14 points.

The team shooting was 41% for Antioch, 26 of 64 attempts, while Round Lake shot for 36% on 24 of 65 attempts. The Sequoits hit 27 of 33 free throws and Round Lake hit 24 of 31 free throws.

"Tom Martin turned in another fine defensive game; he is really a fine steady player, but we need to work on his scoring ability. He should hit for a few more points," continued the Sequoia coach.

## Cudahy Whips Rockford

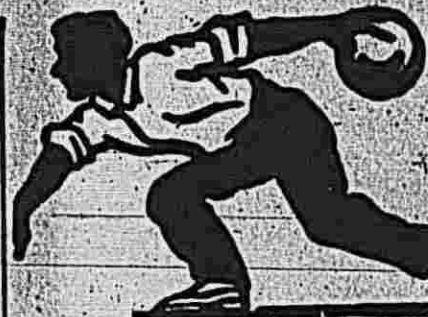

The Cudahy Mods and the Rockford Royals thrilled the fans with a closely fought 119-118 victory for Cudahy. Franklin and Walker, with 31 and 30 points, paved the way for Cudahy against a well balanced Rockford attack that saw 7 Royals hit in double figures.

The Peoria Chiefs squeezed by the Decatur Bullets, 117-114, with Jackson, Gordon, Brown, and Howard all totaling over 20 points. Decatur, absent league scoring leader, Marshall, was led by Crump and Bonham, who poured in 28 and 23 points respectively.

The Waukegan Wizards saw an early 9 point lead evaporate as the Grand Rapids Tackers came storming back to win 126-105. Robinson had 31 for Waukegan, but Stewart, Burton, and Edwards all scored over 20 for Grand Rapids.

This Sunday, Cudahy will attempt to avenge their only defeat as they host Grand Rapids. The winner will claim sole possession of first place. Rockford ventures to Decatur, where either Rockford's two-game losing streak or

ing Hodag Snowmobile Marathon, P. O. Box Snowmobile, Rhinelander, Wis. 54501.

### Junior Bowlers

### Compele Sunday

Antioch Bowling Lanes held a Lake County Junior Bowling Association tournament Sunday and the following groups will compete in the next round to be held January 25 at the Antioch Bowling Lanes.

### Senior Girls:

Al Boston, Gary Burnette, Ken Knackstedt, Mike Schneider.

### Senior Girls:

Laura Knackstedt, Debbie Thibedeau, Janet Lemcke, Donna Vermeyen, Cathy Wysoglad.

### Junior Boys:

Russ Bain, Ian Maule, Dave Enzenbacher, Bill Wozniak, Larry Neau.

### Junior Girls:

Robin Kiefer, Paula Simonsen, Lois Geist, Donna Yucus.

Tentative (one more girl team to bowl)

### Bantam Girls:

Gina Teresi, Pam Parker, Lynn Fisher, Julie Gutowski, Gail Jorgensen.

Tentative winners (2 more teams to bowl)

### Bantam Boys:

Phil Lindberg, Tom Neuroth, Richard Stramp, David Johnson, Rockney Hudson.

Decatur's 4-game losing streak will be broken. Peoria at Waukegan rounds out the schedule as Waukegan hopes to break into the victory column after 4 tough defeats.

### CBA STANDINGS

Cudahy	4-1
Grand Rapids	3-1
Rockford	3-2
Peoria	3-2
Decatur	1-4
Waukegan	0-4

## Sequoit Sophs Win Two

Last Friday night the Sophs visited Round Lake and squeezed out a hard-fought 48-46 win. Antioch dominated the boards at both ends but committed numerous passing errors to help keep Round Lake in the game.

The Sequoia Sophs returned home Saturday night to meet the Lake Forest Sophs and played a much more stable ball game in winning, 55-51. Antioch again dominated both boards. (Ken Tell, Pat Michalak, Mike Michalak, Bob Huebner) and received a good floor game from its guards (Jeff Williams, Doug Camp). The Sophs also displayed a balanced scoring attack in posting the win.

These two victories give the Sophs a 3-0 league record and a 5-3 season record.

Score by quarters: 1 2 3 4  
Round Lake 7 19 32 46  
Antioch 10 19 31 48

Antioch (48)

## The Gift Of Safety

This year why don't you give your family a gift of safety for the holidays. The Lake County Safety Commission is not talking about a material gift—although that would be appropriate also—but we mean providing your family with a safe holiday season.

Nothing can be of greater value or importance to family members than a hazard free home in which everyone can enjoy themselves.

Careful planning in advance can do a lot to eliminate hazards in and around the house.

The kitchen is normally the scene of many minor and more serious injuries and during the holiday season it will be in use more frequently. People always like to congregate in the kitchen for some reason; however, keeping them out will not only make the job of preparing food easier, but will make the kitchen a safer place.

Normal safety rules, such as wiping up spills, using sharp knives and others, are always necessary. It is wise to keep toddlers out of the cooking area and all other fasteners and snoopers out during the busiest times of preparation.

The more items that can be prepared ahead of time the more likely accidents will not happen. Delegate jobs to one or two helpers at the last hour to assist with last minute preparations.

Even though your Christmas tree should not be purchased until just prior to trimming, safe decorations can be planned ahead of time. Select a skirt for the tree, hanging ornaments and other trimming materials of substances that won't burn. Get out your old light sets and check the cords for frayed wires, loose connections or broken plugs. If you need to purchase a new light set make sure it carries the UL marker.

We've all seen pictures of gorgeous centerpieces and decorations using lighted candles and greenery or other items that could burn very quickly. With a little planning, decorations for the mantel, buffet or tables can be nonflammable and just as

pretty. Use flameproof crepe paper, cotton bunting or fire resistant paper to make these decorations. Glass, metal, asbestos and other noncombustibles can also be used safely with candles.

Your holiday guests are important also and you should plan ahead to make their visit to your home a safe one. Outside walks and steps should be kept free of ice and snow. Provide a bright welcome for your guests by lighting up the walk and driveway. Don't relax though once your guests are inside the house. Make sure the fireplace is covered with a fire screen. Plan ahead and place ample, large ashtrays around the house.

Check toys before you purchase them to make sure they are suitable and safe for the age of the child. Inspect all toys for babies and toddlers to be sure they have no sharp edges or parts that will come loose for a youngster to swallow. Some toys for older children may also need special instruction or directions. Take time on Christmas day to teach your child how to use these toys safely.

The gift of safety is suitable for all families and all ages, regardless of the holiday. Make this holiday season a safe and happy one for your family says the Lake County Safety Commission.

## Circuit Clerk Presides Over Seminar

Mrs. Stephanie Sulthinn, Lake County Circuit Clerk, presided over her final session Thursday, Dec. 5, as president of the Illinois Assn. of Court Clerks for 1968-69. The meeting was in conjunction with the 82nd annual mid-winter conference and seminar of the Illinois Assn. of County Officials, held Dec. 3, 4, and 5 in Chicago.

Clerks from around the state heard an address by U. S. Senator Ralph Smith, reports from zone chairmen, and progress re-

## 4-H'ers Begin Toastmaster Course Here

The 1969 Junior Toastmasters Youth Leadership Program for Lake County 4-H'ers began November 17.

The course is coordinated by the Cooperative Extension Service and the Libertyville Toastmasters Club to help boys and girls learn more effective speaking, more careful listening, and more critical thinking.

The Youth Leadership Program was developed by Toastmasters International, a worldwide public speaking organization, from its adult program which has benefited more than a million men since it was introduced in 1924.

Libertyville Toastmasters Burnett Russell, Round Lake; Ed ports from committee chairmen during the business session.

Mrs. Sulthinn, long active in the association since being elected Lake County Circuit Clerk, served as first vice president before being named president of the state-wide organization last year. She is the first woman elected to a major political office in Lake County.

Supervisor of Assessments George Rockenbach has called the annual assessor's meeting for 10 a.m. December 18, on the tenth floor of the Lake County administration building.

Township assessors from all 18 townships are expected to attend the session, during which Rockenbach and members of the board of review will discuss uniform assessments and answer questions on specific problems.

Lake County government received over \$90,000 from the State as its share of the Illinois income tax for a portion of August, and the months of September and October. Counties and municipalities are allocated one-twelfth of the total collected based upon collections from the unincorporated areas for the county, and within municipal boundaries for cities and villages.

Biniz, Wauconda; Frank Randall, Lake Zurich; and Carl Tharp, Mundelein are conducting the eight-week course for the beginning toastmasters. This group meets the first and third Monday of each month.

Those enrolled in the 1969-70 "beginning" series are: Don White, John White, Ken Scheeske, Allison Heyrdeis, Susan Hevdeis, and Gail Olson, all of Antioch; Yvonne Maassel, Pat Russell, Round Lake; Lorelei Hertel, John Sage, and Susan Sargent, Grayslake; Frank Titus and Carol Mudd, Libertyville; Gary Wells, Gurnee; and John Homer, Wildwood.

This year a special course for those Toastmasters who have had one or two years training in the program is also being conducted.

This specialized advanced training program is being conducted by Libertyville Toastmasters Stan Spamer, Mundelein; Les Vogt, Titus, Libertyville; and Mary Kay Nachowicz, Mundelein.

Those 4-H'ers enrolled in the advanced course are: Dolores Russell, Round Lake; Bill Regner and Eileen Regner, Volo; Andrea Hertel, Grayslake; Tony Titus, Libertyville; and Mary Kay Nachowicz, Mundelein.

This group will meet on the 2nd and 4th Monday of each month. All Junior Toastmaster's meetings are held at the Lake County Cooperative Extension Office on Rt. 45, 1/4 mile north of Rt. 120.

## FUNERAL NOTICES

Mr. Michael Zemaitis, age 75, of Rt. 1 Antioch died Tues. evening at Victory Hosp. after a lingering illness. Born in Russia June 22, 1894, he has been a resident of Antioch the past 8 yrs. A veteran of WW I he served in the Army. He worked as a pipe fitter for the railroad in Chicago. Survivors include his sister Mrs. Agatha (Anthony) Niwara of Antioch & one niece Mrs. Rose (Steve) Mikula of Antioch. Services were held Fri. Dec. 12 from Colonia Funeral Home to St. Peter's Church, mass celebrated at 10 A.M. Interment Mt. Carmel Antioch. Parish prayers said 8 P.M. Thurs.

## Legal Notice

LEGAL NOTICE  
CLAIM NOTICE  
IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS

PROBATE DIVISION  
ESTATE OF RALPH W. FIELDS, Deceased, File No. 69P-691

NOTICE IS GIVEN OF the death of RALPH W. FIELDS of Antioch, Illinois. Letters of Office were issued on November 24, 1969, to Eva B. Fields, 103 North Avenue, Antioch, Illinois, Executor, whose attorney is LARSON & LUMBER, 388 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 26 N. Utica Street, Waukegan, Illinois, 60085, within 7 months from the date of issuance of letters; any claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Executor, and to the attorney.

## WHO NEEDS IT?

One person in 80 will need a blood transfusion this year. One family in every 12 will have to replace blood used by a friend or a family member. If tragedy strikes, you can be protected as a member of the Cooperative Blood Replacement Plan. For information call 477-7500 or write the Cooperative Blood Replacement Plan, 2000 North Lincoln Park West, Chicago, Ill. 60614.

claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Executor, and to the attorney.

STEPHANIE SULTHINN  
Clerk of the Circuit Court  
(Dec. 18-25, 1969, Jan. 1, 1970.)

LEGAL  
NOTICE  
PUBLIC HEARING TO BE HELD ON PROPOSED HIGHWAY PROJECT

Notice is hereby given to all interested persons that a Public Hearing will be held at 7:30 P.M. on January 22, 1970 in the auditorium of the Lake County Fair Grounds located at Illinois Route 120 and U.S. Route 45.

The general public is invited to present its views on the corridor locations under study for the Lake-Will Freeway, P.A. 61. The section to be discussed extends from the vicinity of Peterson Road and Illinois Route 83 to the Illinois-Wisconsin State line in the vicinity of Antioch. The purpose of the hearing is to reduce the Freeway location width from a six mile study area, to a corridor width of approximately one-half mile or less.

Interested persons will be afforded an opportunity to present their ideas concerning these corridor locations at the hearing.

Statements, both oral and written, may be submitted at the hearing by interested persons. Written statements, if not presented at the hearing, may be mailed or delivered to the Illinois Division of Highways, 595 South State Street, Elgin, Illinois not later than January 25, 1970.

Maps, drawings and other pertinent information developed by the Division of Highways will be on display for one hour, both before and after the hearing, for inspection by the public.

All information displayed at the hearing as well as the transcript may be viewed and copied, following the hearing, at the Highway Office in Elgin.

Sigmund C. Ziejewski  
District Engineer  
Illinois Division of Highways  
(Dec. 18, 1969, & Jan. 15, 1970)

LEGAL NOTICE  
Invitation to Bid

Sealed proposals for furnishing and installing carpeting in the NEW ANTIOCH UPPER GRADE BUILDING are hereby requested.

Plans and specifications are on file for reference at the Antioch Grade School Building located at 817 Main Street, Antioch, Illinois.

Proposals will be received for furnishing and installing carpeting for the above Upper Grade Building until 8:00 P.M. Tuesday, January 13, 1970 at the office of the Antioch Community Consolidated Grade School District No. 34 located at 817 Main Street, Antioch, Illinois. Bids will be publicly opened and read aloud at that time.

A Bid Guarantee equal to 10% must accompany each proposal.

## THE ANTIOCH NEWS—7

THURSDAY, DEC. 18, 1969

This must be in the form of a certified check, bank draft or a Bid Bond from a bonding company with an "AAA" rating or better, payable to the Treasurer of the Board of Education, Antioch Community Consolidated Grade School District No. 34 as a guarantee that if the bid is accepted, bidder will execute and file the proper contract and acceptable performance and payment bond within the time limited by the owner. If the successful bidder so files the contract and performance and payment bond, upon the execution of the contract by the owner the check shall be returned. In case he fails to file such contract and performance and payment bond, the amount of the check or bid bond shall be forfeited to the owner as liquidated damages.

The owner reserves the right to waive any irregularities, reject any or all proposals when, in the opinion of the owner, such action will serve the best interests of the Board of Education, Antioch Community Consolidated Grade School District No. 34, Antioch, Lake County, Illinois.

No bid may be withdrawn for a period of 30 days after the opening of bids, without written consent of the owner.

By order of the Board of Education, Antioch Community Consolidated Grade School, District No. 34, Antioch, Lake County, Illinois.

By: Richard C. Harland  
President  
(Dec. 18, 1969)
